

Terms and Conditions of Participation

1. Content have to be original and never been published before.
2. Grammar, punctuation, words order, and diction are important. You better pay attention on these.
3. Revision might be needed. It can be us who revise the content, or writer. It all depends on our consideration toward the content.
4. Don't make too much word and topic repetition.
5. Article consists of 400 words minimally.
6. Submit article in Word format, and send it as email attachment with article title as email subject.
7. You have to put minimally 1 relevant link in to our previous article, and 1 relevant link out to another article from the internet.
8. For one article, you have to enclose minimally 2 relevant pictures. Pictures should be sent as email attachment, not enclosed in the inside of article. **Picture from the free copyright sources are more preferred.** And don't forget to mention the url source of the pictures.
9. Before you send the picture, make sure that pictures are compressed before. You can use online image compressor to easily compress the picture.
10. Maximum size of the picture is 768 X 576, and in JPG format, not PNG.
